Note that California EPA is on this list, but not CDPHE.

Okay, my head is going to explode. This list has absolutely everybody on it except our normal Region 8 stakeholders, e.g., CDPHE, Colorado Parks & Wildlife, no contact # for NRC, R8 management, R8 drinking water, etc. etc. The only one on there that is useful for us is Bob Stewart.

Please advise how to proceed.

Attached is the GKM Stakeholder Notification List with Names, E-mails, and phone numbers. These have been cross-checked with David's final list he sent to me.
